Opis produktu

For the first time ever officially as a stand alone CD, we are proud to offer the arguably superior 1988 mix of the amazing debut album from thrash Legends Holy Terror. Originally released by Roadracer Records in 1988 on Cassette and LP but never on CD, we are thrilled to finally make it available 37 years after it's initial release. Includes a 20 page booklet packed with unpublished photos and new liner notes provided by original members Kurt and Mike, this timeless classic was like no other from t's time.

Mastered by Patrick W. Engel at Temple of Disharmony and taking elements from the original layout with attention to detail, even down to the logo and typeface for a touch of nostalgia.

LIMITED TO 500 COPIES!
