Opis produktu

Horror Of Horrors (formed 1994), was a US death metal band and released three full lengths classic US death metal albums. Their 3rd ‘lost’ album was only digital released by the band in 2017 and never in any other format, nor artwork was made. Rust, Fles hand Dust was recorded at Mana Recording Studios, St. Petersburg, Florida in 2010. Mana Recording Studios is Eric Rutan’s studio where most of the Cannibal Corpse and Hate Eternal albums were recorded. ‘Rust, Flesh and Dust’ features Kevin Talley on drums (ex-Dying Fetus, ex-Misery Index, ex- Six Feet Under, ex-Suffocation), Kelly Mclauchlin on guitars (Pessimist, ex-Diabolic, ex-Hirax, ex-Possessed, ex-Unholy Ghost, ex-Angelcorpse (live), ex-I Am Morbid). And of course founding Horror of Horrors core members: H.M. Lopez on guitars and Buddy Buell on vocals and bass. Artwork made by Thoms Pinheiro (Hirax, Violence, Possessed). Remastered by Achilleas Kalantzis at Suncord Audiolab, December 2024 (Possessed, Varathron, Vio Lence).
