Opis produktu

This is a project of Cernunnus (Manes), Kalmos (ex-Barathrum), Rainer Tuominkanto (Ajattara) and Niklas Kvarforth (Shining).

THE BAND STATES:

"Länge Leve Döden" is our monumental celebration of the great Lord of Death. A perfect alignment of five songs that were written under a awful unhealthy process over the course of two years. Expect Black Metal the way it used to feel and sound back in the early nineties and rejoice!"
