Opis produktu

German traditional Black Metal Band ILLUM ADORA attack with their debut album "...of Serpentine Forces". The band is ready to unleash their first album unto mankind. Hurricane Hellfukker (vocals, ZARATHUSTRA) created with the help of Mortüüm (drums, COUNTESS), Shargaz Isidor (all
guitars) and Jormundgand (bass) a tribute to the 1990s Black Metal, playing their very own interpretation of how it has to sound. It appeared to be a 9-track debut album with a running time of 41 minutes of varied and atmospheric music that serves the old purposes of the ancient underground scene! The vinyl version is strictly limited to 150 copies, black vinyl, and comes with a
4-page LP-sized inlay!
