Opis produktu

1000 copies made with inserted cover artwork poster

IMMOLATION is a true genuine Death Metal legendary band . The band uses riffs written in dissonant harmonic patterns, often dueling between the two guitars, typically over complex rhythm and drum patterns for an undeniably unique and an absolutely diabolical result . IMMOLATION catalog on Listenable records is now reissued on de luxe vinyl and cassette .
the vinyl has been unavailable for years, and the cassette is available for the first time.
