Producent	**Werewolf Records**

Opis produktu

Emitting the sick stench of the ancients, IMMORTAL DEATH play savage, Satanic DEATH METAL as if the last couple decades of "death metal" didn't exist. A mysterious entity, it is known that at least one member hails from the esteemed Sex Messiah, but that is where the parallels end: one listen to IMMORTAL DEATH's eponymous debut demo is enough to convince the diehard - or offend those of delicate sensibilities. Howling and harrowing and hulking in its ragged, rabid physicality, Immortal Death mangles both mind and body with its sulfurous rehearsal-room intensity, skillfully moving between primitive blasting and ominous trudge, with UNGODLY riffs being bullet-belted out right and left. And after a mere 14 minutes, you're left with absolute devastation.

So impressed by its sheer audacity and merciless battery, WEREWOLF steps forward to release Immortal Death on a worldwide scale, on all formats. Maniacs of Necrovore, the pre-Deicide Amon, America's Infester, Pissgrave, or the late / great Deathchurch, prepare for reckoning with IMMORTAL DEATH.
