Rejoice! Following a triumphant "***Ancient Glacial Resurgence***" in September 2023, **IMPERIAL CRYSTALLINE ENTOMBMENT**'s infamous 2004 debut "***Apocalyptic End in White***" is once again available on long out-of-print CD, and for the first time ever on cassette.

"***Apocalyptic End in White***" is a violent tempest of intense riffing and brutally compulsive songcraft, the band plays here as one freezing, breathing organism to produce a cult classic which still feels fresh as the driven snow.
