Rejoice! Following a triumphant "**Ancient Glacial Resurgence**" in September 2023, **IMPERIAL CRYSTALLINE ENTOMBMENT**'s infamous 2004 debut "**Apocalyptic End in White**" is once again available on long out-of-print CD, and for the first time ever on cassette.

"**Apocalyptic End in White**" is a violent tempest of intense riffing and brutally compulsive songcraft, the band plays here as one freezing, breathing organism to produce a cult classic which still feels fresh as the driven snow.
