## Opis produktu

Professional cassette tape version of Imprecation's newest album "In Nomine Diaboli"

The name IMPRECATION echoes forth from Hell once again in the form of In Nomine Diaboli. As a direct follow-up to their acclaimed Damnatio Ad Bestias, this will prove to be the band’s darkest and most regal album yet.

Tendrils of pure evil will engulf the listener with Satanic hymns that recall the greatest days of Deicide and Morbid Angel. IMPRECATION’s own version of this venerable death metal tradition brings forth moments ranging from blistering and relentless to crushingly heavy, and all shall yield in their wake.

Do not mistake this for “old school death metal”; this is death metal the way it was always intended – powerful, malevolent, and uncompromising. Give yourself over in the name of the Devil to experience IMPRECATION at the height of their powers
