Opis produktu

Collector's edition on CD in deluxe hardcover mediabook (36 pages) with matt lamination limited to 1,000 copies worldwide.

For 25 years, IMPURE WILHELMINA has been creating a singular music on the borders of rock and metal.
The Geneva quartet has never been afraid to reinvent itself and to push back the stylistic barriers, without ever losing its strong identity. Intensity, melody, power and melancholy are the key words that guide the band's discography, shaping record after record a subtle blend of metal, post-hardcore, new wave and indie rock sounds.
Music heals the soul, as it always has. "Antidote" evokes this simple idea, illustrating the cathartic aspect of IMPURE WILHELMINA's 7th full length. It acts as a remedy against the darker sides of the human mind.

For fans of Year of no Light, Cult of Luna, Rosetta.
Artwork by Julien Diels.
