Opis produktu

Impurity is a highly-influential Black Metal bands from Brazil. Into the Ritual Chamber is the band's second album and was originally released in 1996. Its agenda is the same as the band's debut The Lamb's Fury: occult, ritualistic Black Metal. Into the Ritual Chamber had been long out of print and it is now back through the partnership between the USA's Greyhaze Records and Brazil's Cogumelo Records. This new version features the full album and 7 bonus tracks consisting of a rare band rehearsal from 1996 and a live concert recorded in the band's hometown of Belo Horizonte. This CD version comes housed in a deluxe 6-panel digipak featuring a 16-page booklet loaded with ancient band photos, lyrics, and other visual artefacts.
