Opis produktu

One of the most sublime representations of all that is abject, disgusting, and profane in the history of Black Metal. *The Lamb's Fury* is Impurity's first album and was originally released by Cogumelo Records in 1993 and, like many other releases by that mythical label, is considered today a major classic in the genre. Greyhaze Records is proud to present Impurity's *The Lamb's Fury* in restored and remastered audio and with artwork faithful to the original release. Available on vinyl and cassette. Upcoming on CD format.

Tracklist:

- 1 - Intro
- 2 - Ecstasy Law
- 3 - Malediction / Sekhmet
- 4 - Lucifer Spewing Blasphemies
- 5 - Darkness Path
- 6 - The Firmament of Fire
