Description:
INCANDESCENCE return with more powerful and passionate Quebecois black metal with their fifth album Hors Temps to be released on Feb 20. Featuring acclaimed multi-instrumentalist Philippe Boucher (Beyond Creation, Chthe’ilist) who handles all instruments and songwriting alongside vocalist Louis-Paul Gauvreau, INCANDESCENCE follow-up 2022’s Le coeur de l’homme with their most dominant and immense album yet. Featuring even more commanding and prominent epic melancholic moments along with the traditional sorrowful melodies that ennobles Hors Temps to that higher aura amongst the punishing and unrelenting black metal savagery herein.
