Opis produktu

Remastered audio of Death Metal legends **INCANTATION**'s *Upon the Throne of Apocalypse*, the original rough mix of the recording that became the infamous full-length album *Mortal Throne of Nazarene*. Dynamic-yet-raw, brutal-yet-atmospheric, and death-yet-doomy.

Upon the Throne of Apocalypse remaster features the original artwork by Wes Bencoter (Slayer, Nile, Cattle Decapitation).

1. Abolishment of Immaculate Serenity
2. Blissful Bloodshower
3. The Ibex Moon
4. Nocturnal Dominion
5. Essence Ablaze
6. Iconoclasm of Catholicism
7. Emaciated Holy Figure
8. Demonic Incarnate
