Opis produktu

Incarceration - Empiricism CD (Dawnbreed)

Jewelcase with 12 page booklet

“The concept of Empiricism deals with our personal journey towards the inevitable and all therein that may be explored. A catalyst from the depths of the subconsciousness.
Through conquest and manifestation of the mind inside a dying vessel, we want to strengthen the passion and willpower in the here and now.
It is a monumental Fragment that reflects our pilgrimage into the nucleus of our individual existence"
