Opis produktu

Swiss INFECTED was formed in 1987. INFECTED was one of the very first thrash death metal bands in Switzerland. The band released one ep in 1988 and their debut full length 'Dark Centuries' in 1989. Founding INFECTED member Steve Karrer plays with Messiah since their second incarnation (1991) up till now (also ex GURD). The album 'Dark Centuries' contains all Infected tracks ever recorded and all are remastered by V.O. Pulver (GURD, Poltergeist, Destruction). The booklet contains extensive liner notes from BJ Jaschinski (Legacy Magazine / Deaf Forever Magazine) and rare pictures from 1987- 1989.
