## Opis produktu

After our hardcover edition of the Dark Blaze-issues became a bestseller and quickly sold out, Darker Than Black and I have decided to publish a hardcover edition of the four Infernus issues too. Table of contents are posted below, but it's definitely a must-read for everyone interested in 1990's Black Metal underground (and beyond)! Infernus was the fanzine done by Wolf Mobus (Hellsturm), with contributions by JFN and Richard Neu (Viking Force magazine, etc.) in the third and fourth installment.

Stay tuned!
