Opis produktu

Reference: DMP0249-CD

Digipack CD

Comes in a 6-panel digipack. First batch comes in black polycarbonate CD.

Formed in 2011, **INSECT ARK** is the Berlin-based duo of American artists *Dana Schechter* (**SWANS**) on bass/lap steel/synth/vocals, and *Tim Wyskida* (**KHANATE**, **BLIND IDIOT GOD**) on drums/percussion.

"Raw Blood Singing" - the band's fourth full-length - intersects the outer realms of avant-Metal, psych-Doom, and experimental Goth. Moving from tiny whispers of synth to a monstrous wall-of-sound via *Schechter's* blistering lap steel guitar playing, diabolical bass playing, and the mammoth, searing power of *Wyskida's* drums, they weave a landscape that is lush, bleak, vast and expansive.
