### Opis produktu

Merging doom, psychedelic sludge, grind, black metal and mighty mighty riffs to create a sound wholly their own, **INTER ARMA** deliver their Relapse debut *Sky Burial*, easily an early contender for heavy music record of the year. Emerging from the ever-fertile metal breeding grounds of Richmond, Virginia, **INTER ARMA** have spent the last few years touring relentlessly, perfecting a hypnotically punishing live show. *Sky Burial* brings that focus onto record, and what a record it is. Truly heavy in all senses of the word, *Sky Burial* is a spiritually intense journey through the halls of extreme metal. **INTER ARMA** have made a decisively loud proclamation with *Sky Burial*---this is a band that could very well be the next crown-holder in a regal line of iconic Relapse bands.
