Opis produktu

One of the most sought-after underground pearls from Sweden! Now finally officially re-issued. Recorded at Sunlight Studios, Stockholm, Sweden in January 1993 with Thomas Skogsberg and Lars Linden. Brilliant Swedish death metal with a melodic touch like early Amorphis. Remastered by Achilleas Kalantzis at Suncord Audiolab (Possessed, Vio Lence, Varathron). Booklet and artwork carefully restored like the original release by Ra Design (Sodom, Asphyx, Destruction).
