### Opis produktu

Active since 2015, Japan's Invictus are a Death Metal force to be reckoned with. 2020 saw their debut album released and now they are back to the primal essentials with a new demo tape coming soon via Me Saco Un Ojo Records...

Combining the morbid grooves and abhorrent atmospherics of all archaic Death Metal gods, these Japanese masters have a unique feel to their music that is enshrouded in the mystique of the past. Guttural guitars throw forth bolts of arcane malignancy while the drumming pulverises the corporeal body with percussive blows. Vocally, the band sit in their macabre low-register and ensure everything is tied together gloriously for your listening displeasure with a truly crushing production. If you love Death Metal, true and morbid, then this is an unmissable short cut of putridity.

In only three songs, the band offers more riffs, carnage and decay than many will in triple that. For the investment of less than 12 minutes of your time, you will be bludgeoned into submission by some of the meatiest and most vitriolic Death Metal conceivable. As always the Japanese prove to hold their quality and output to the highest possible standard and do not let anything short of magnificently malicious onto this trinity of terror. Fall before the miasma discharge...
