Opis produktu

This diabolical duo, one of the hottest bands in the Chilean black metal/thrash scene, continues to unleash searing fury, each one more concise and crushing than the last. "Spread Cruelty in the Abyss" follows hot on the heels of the critically acclaimed The Flame of Hate. Like its predecessor, "Spread Cruelty in the Abyss" wastes no time igniting a sulfurous conflagration from the first notes... except this time, it's more evident how daringly catchy they've become.
