Opis produktu

Soul-ceremonialists JADE unleashes the all-consuming "The Pacification Of Death", unfathomable depths documenting the deep-rooted and rich Eastern history, depicted in a sonorous depravation soaked in all its atmospheric glory.

With the focal point of crafting brilliantly thought-out abyssus Death Metal and preceding in all aspects; the sinister tenebrosity and vanquishing riff-mastery have also made "The Pacification Of Death" an immeasurable sense of ritualistic, weight-laden of a debut record.

Once again recorded, mixed & mastered by Javi Félez at Moontower Studios, Barcelona (Graveyard, Teitanblood, Foscort, etc) and astounding artwork by Adam Burke (Loss, Occultation, Vektor, Evoken, etc).
