KAMPFAR Til Klovers Takt LP BLACK [VINYL 12"]

Cena	104,90 zł
Dostępność	Dostępny
Czas wysyłki	5 dni
Producent	Indie Recordings

Opis produktu

Til Klovers Takt is an album that stands on the shoulders of everything that came before it in Kampfar's catalogue. It draws inspiration from the first song written 28 years ago as much as it leans on any other period in the band's past.

The surroundings of Hemsedal and Hallingdal with their rich history and awe-inspiring nature forms the background for the stories told within the six chapters as well as influencing the tonal and rhythmical approach to the songs.

The result is a finely tuned album where each piece has its own voice and its own atmosphere, where nothing is accidental and where the band, having taken control of all aspects of the recording process, were able to create exactly the album they set out to release.

Til Klovers Takt is the culmination of four lifetimes worth of experience in songwriting and musicianship, coupled with the hunger to always make the next work the best, it is the image of a band in their prime.

Tracklist:

- 1.Lausdans Under Stjernene
2. Urkraft
- 3.Fandens Trall
- 4.Flammen Fra Nord
- 5.Rekviem
- 6.Dødens Aperitif
