Opis produktu

Originally released in 2001, **Last Fair Deal Gone Down** saw **Katatonia** ambitiously expanding their sound to create one of the most celebrated albums of the band's career.

Containing 11 highly emotional pieces, including the singles Teargas and Tonight's Music, the album is a superb example of Katatonia's unique brand of Gothic Metal.

The mournful vocals of Jonas are, as ever, ably backed by the inventive guitar work of Anders to create a potent and absorbing atmosphere.

On black vinyl with a **half-speed master courtesy of AIR studios** for optimal sound.
