Opis produktu

Originally released in 2001, **Last Fair Deal Gone Down** saw **Katatonia** ambitiously expanding their sound to create one of the most celebrated albums of the band's career.

Containing 11 highly emotional pieces, including the singles *Teargas* and *Tonight's Music*, the album is a superb example of Katatonia's unique brand of Gothic Metal.

The mournful vocals of Jonas are, as ever, ably backed by the inventive guitar work of Anders to create a potent and absorbing atmosphere.

On black vinyl with a **half-speed master courtesy of AIR studios** for optimal sound.
