Opis produktu

Night is the New Day Katatonia''s eighth studio album, recorded 2009 co-produced, engineered and mixed by David Castillo. An extension of the heaviness, depth and atmosphere featured on their previous albums a more dynamic effort - moving between prog grandeur, ambient melancholy, folk delicacy and the classic melodic anthems that are the staple of Katatonia''s uncompromising sound, completed by the haunting tones of Jonas Renkse''s vocals. Artwork by Travis Smith (Katatonia, Opeth, Novembre). CD with 12 page booklet.
