### Opis produktu

- Digipak CD

5 new tracks by Finlands KERES, and perhaps some of their finest material yet. Yes, I wrote 'they', as this time, Atvar for the first time has a session drummer, namely Luxixul Sumering Auter.

What to expect? Absolutely nothing new. It's still unmistakably KERES; mid-tempo, synth-laden, atmospheric Black Metal with hints to classic, timeless bands without neither creating anything new, nor blatantly copying the past.
