Opis produktu

Presented on the vinyl format for the first time, **Khold**'s debut album of cold and primitive old-school Norwegian Black Metal (born from the ashes of cult act, Tulus).

Released in 2001, **Masterpiss of Pain** features a guest appearance by Galder (Old Man's Child, Dimmu Borgir) on the track Rovnatt.

Contains inner sleeve with lyrics.

Khold formed in Oslo in the year 2000, by Gard & Sarke (also known from his own, self-named act, alongside Darkthrone's Nocturno Culto). Khold is what emerged out of the ashes of the cult band Tulus.

Khold has recorded 6 albums to date, & have successfully toured with bands such as Satyricon & Behemoth in the past. Khold is also notable for their use of old Norse for song-titles and lyrics.
