Opis produktu

After 8 long years, Khold returns with a new studio album!
What you get is 10 heavy new tracks, and Khold remains true to
their original principle.
Down tuned, rough, mid paced, painful...
A strong musical backbone and clever musicianship...
The groove, the drive and the heavy guitar riffs...
Raw and primitive...
Old school? Maybe, but yet so much more.
The way you know them, the way you want them...
The way they always have been and always will be...
True to the soul of Norwegian black metal!
Khold.
