Opis produktu

In 2012 Ole (ex-Autokrator) started KHÔRA as a one-man project. After recording a demo in 2016, the band started taking shape as full-time members were then recruited. Vocals were filled by Vasilis Kranos (Savaoth) and Bass was filled by Lars E. Måløy (Dødheimsgard). The full-length debut “TIMAEUS” was released in 2020 with guest members from bands such as Moonsorrow, …And Oceans, Amiensus and others. Before starting the work on the next album “ANANKE”, Vasilis and Lars were replaced by Frédéric (Orakle) and Göran (ex-Setherial, Svartghast), and a new orchestrations man named Kjetil (Profane Burial, Haimad) joined, all ready to unleash their musicianship into the new album ANANKE. This new album was finished in 2024 and includes more guest artists that are well-known in the metal scene, namely; Rune ‘Blasphemer’ Eriksen (ex-Mayhem), Kristian Niemann (ex-Therion), Wolfgang Rothbauer (live Belphegor), André ‘Cosmocrator’ Søgnen (The Wretched End) and others.
