Description:

KONTUSION is an evil death metal band from the East Coast of the USA and will see the release of their debut LP Insatiable Lust For Death on July 25. KONTUSION’s riffs, blasts, and walls of feedback reflect the darkness of a world marred by chaos, where large scale atrocities run amok. Drummer Chris Moore (Repulsion) and vocalist/guitarist Mark Bronzino (ex-Iron Reagan/Mammoth Grinder) represent the core of the band, with musicians emerging to fill out various lineups for live performances.

With just a demo previously under their belt, KONTUSION have already toured throughout the East and West Coasts of the US, Midwest, and Texas, supported death thrash legends Deceased and appeared at festivals such as Maryland Death Fest and will be returning to the west coast of the US and Canada in May, and plan to tour Europe summer 2025 culminating in a performance at Obscene Extreme Fest in Czech Republic.
