Opis produktu

KORSAKOV was cult underground death metal from The Netherlands and was formed in the late 80’s. KORSAKOV recorded three demos: ‘Hangover Hero’s’ (1989), ‘Radiation Exposure’ (1991) and ‘Prolong The Agony’ (1994). The 3rd demo was recorded at Franky’s Recordings Kitchen with Berthus Westerhuys (God Dethroned, Asphyx, Severe Torture). All tracks are remastered by KORSAKOV’s guitar player David Kox (nowadays member of Dutch progressive metallers KONG). The booklet contains extensive liner notes, rare band pics and flyers. Cover art by Juanjo Castellano (Bodyfarm, Paganizer, Avulsed, Vomitory). Jason Kohnen (Bluuurgh, Celestial Season, Orphanage) joined on vocals on the 3rd demo and is now well know by his stage name Bong-Ra.
