## Opis produktu

Format: LP (Smoked Amber)
Format: 12" (album)

Packaging: Solid cover, black inner-sleeve with poly lining, 8-page booklet, and a designed download card for the digital album.

Prepare for an infernal journey into the depths of madness with Krater's latest masterpiece, "Phrenesis." Eisenwald proudly presents the fifth full-length album by the German black metal juggernaut, set to unleash its fury in various editions at the end of May via Eisenwald. The vinyl edition is set to be released in collaboration with Eternity Records around the end of June 2024.

Since its inception in 2003, Krater has been a relentless force in the metal underground, forging a path with a raw and modern take on black metal. Paying homage to the genre's wild origins while pushing boundaries with aggressive riffing, haunting melodies, and introspective lyrics, Krater has secured their status as a prominent figure in the European black metal landscape. Their evolution, showcased in albums like "Nocebo" (2011), "Urere" (2016), and "Venenare" (2019), has captivated audiences worldwide.

"Phrenesis" is a concept album delving fearlessly into the descent into madness and frenzy, as its title suggests. Lyrically and musically, the album explores the darkest corners of the human psyche, unraveling the mind and the chaos that ensues. With a thematic exploration of existential themes and a sonic blend of aggression and melancholic melodies, "Phrenesis" is a haunting representation of the chaotic journey toward insanity. Prepare for a deep listening experience that captures the harrowing descent into madness with fearful precision.

Recorded at the band's own Phrenesis Studio between 2020 and 2021, with all five band members contributing, "Phrenesis" underwent re-amping, analog mix, and mastering by Irsins Sound Studio from 2022 to 2023. Every detail of this release has been meticulously crafted to ensure a deep sonic experience.

Dive into the abyss with Krater's "Phrenesis" and embrace the madness that awaits.

Tracklist:

Hopesmoker - Celestial Apex
Schattengeister
Withered Hands
Splitter
Enlightenment's Grieving
Once - Into the endless Void
Phrenesis
