Opis produktu

Kreator surely need no introduction to anyone at this point. The Germans were among the distinctive bands who helped to shape and fashion the emerging thrash style in the 1980s. Through landmark albums as *Pleasure To Kill* ('86), *Terrible Certainty* ('87) and *Coma Of Souls* ('90). Released in April 1999, *Endorama* now gets the ultimate makeover, released as a completely overhauled remaster by Jens Bogren (Arch Enemy, Sepultura, Amon Amarth, Paradise Lost). 2 CD Digipack limited Edition containing the original version and the remastered version.
