Opis produktu

This album is a retrospective look into the past, where old forlorn ruins and obscurity reign over desolate landscapes. Gazing back also into my own past, I have re-recorded a song originally included on the demo tape of my old band Helcaraxe, composed back in 2003. Delve deep in and listen... listen to the atmospheres of an arcane night and return within your thoughts into bygone times...

472x bloodred 12" (180g) in a black poly-lined innerbag, download card, 8 page A5 booklet, full-color on 180g art paper, gatefold jacket, full-color on 350g, all assembled in a PVC overbag.
