Opis produktu

Live demo recorded at a private gig in the autumn of 2013 during the band's earlier days. The songs are thereby reduced to a more primal, barbaric form.

Extra material is provided by a cover of Carpathian Forest's 90s classic "When Thousand Moons Have Circled" and a special ambient composition "Cosmic Rituals" that delves into the darker, more introspective aspects of Krolok.

Re-issue, complete new layout and extra bonus songs, 4 page booklet.
