### Opis produktu

Live demo recorded at a private gig in the autumn of 2013 during the band's earlier days. The songs are thereby reduced to a more primal, barbaric form.

Extra material is provided by a cover of Carpathian Forest's 90s classic "When Thousand Moons Have Circled" and a special ambient composition "Cosmic Rituals" that delves into the darker, more introspective aspects of Krolok.

Re-issue, 198x black 12" (140g) in a black poly-lined innersleeve, download card, gatefold full-color on 350g, coated paper (semi-gloss), all assembled in a plastic overbag.
