Opis produktu

Finland’s Krypts return to unfurl an aeonic slab of death metal upon your ears. “Cadaver Circulation” is as unrepentant as the grave in it’s tormented and suffocating aura. From funereal dirges to steamroller bombasts of putrid death and decay, “Cadaver Circulation” leaves no tomb intact. Reverb drenched atmosphere collides with eerie chords and abysmal vocals to craft one of the most harrowing death metal experiences of the year.
