Opis produktu

Absolute raw Black Metal terror, a sonic nightmare shaped by powerful guitar riffs, a frantic rhythm section plus a spectral vocal performance filled with inhuman wails.

Hailing from the US, Kudlaakh is a recent name on the Black Metal Underground, having released a demo in 2018, one which now sees a re-release by the hand of Black Gangrene Productions. Here we find absolute raw Black Metal terror, a sonic nightmare shaped by powerful guitar riffs, a frantic rhythm section plus a spectral vocal performance filled with inhuman wails. All these elements are featured on an overall oppressive sound that flawlessly captures Kudlaakh’s atmosphere of dread.
Enthusiasts of highly intense raw Black Metal will find plenty to feast on with this cassette tape.
