Opis produktu

Solid cover, A2 poster, black inner-sleeve with poly lining, and a designed download card for the digital album.

180g Vinyl blue smoke vinyl, limited to 300 units.

"a spiraling and winding descent into arcane black metal pandemonium! Sounding both modern and timeless at the same time, they unleash some serious throwback Celtic Frost/Darkthrone/early Mayhem vibes while projecting its hideous aura straight into the future with a shape-shifting approach to songwriting that can’t be called anything different but “prog”, while also throwing in the mix some unexpected ambient passages and improvisational liturgic abstractions (that yield a result of constant motion and disorienting unpredictability, as if we were facing a European version of Negative Plane or a more experimental reinterpretation of the arcane mysticism of Mortuary Drape.

All in all if you are looking for black metal with a touch of timelessness and with classic heavy metal influences mixed with a keen sense of experimentalism then KVELGEYST definitely represents one of the strongest expressions of this school of thought in black metal that’s been seen in a long time." ~ CVLT NATION

TRACKLIST:

1. Basilisk - Im Angesicht des Schattenwichts
2. Miasma - Von flirrenden Götzen in stickigen Grotten
3. In der Hölle trieft der Gran
4. Demiurg - Denaturierung Holobiont
5. Alkahest - In Schall und Rauch zerflossen
6. Sefiroth - Schalenleib des Welten-Alls
