Important notice:

Some health issues that plagued Daniel Brennare in the last months, did not allow him to finish the recordings of the 2 unreleased tracks that will be included in the 7' vinyl "The Secrets Of The Rain".

Therefore, **the Boxes will now be shipped without the 7' vinyl "The Secrets Of The Rain"** and a second shipment will follow from our side, as soon as we receive it, at no cost to the buyers. There are far more important things in life than meeting a release date. Certainly, one of them is a person's health.

Thank you very much for your understanding and patience.
