Limited Lipstick Red vinyl, insert.

Lizzy Borden’s debut album reissued on vinyl in October.

A cornerstone of American heavy metal returns — *Love You to Pieces* remastered and reissued on vinyl in late October 2025!

Originally released in 1985 by **Metal Blade Records**, *Love You to Pieces* marked **Lizzy Borde**n’s explosive debut full-length album, blending theatrical shock rock with razor-sharp riffs, soaring vocals, and anthemic choruses that defined a generation of metal. Now available once again in a meticulously crafted vinyl reissue, this essential release captures the raw energy and glam-infused aggression that made Lizzy Borden a cult icon of the era.

Featuring fan favorites like “American Metal,” “Rod of Iron,” and the haunting title track “Love You to Pieces”, this edition brings new life to a record that helped shape the sound and style of ‘80s metal. Whether you're a longtime devotee or discovering Lizzy Borden for the first time, this reissue is a must-have for your collection.

Love You to Pieces is available on Svart exclusive Strawberry Blonde Marble vinyl, limited Lipstick Red vinyl and classic Black vinyl on October 31st, 2025.

Rediscover the metal magic. Turn up the volume — and prepare to love it to pieces.
