Opis produktu

"Vedderbaug" second album from Norwegian black metal band LJÅ, marks a significant evolution from their 2006 debut, "Til avsky for livet."
While the first album delivered a raw, chaotic assault reminiscent of the second-wave black metal style, "Vedderbaug" offers relentless drumming, more ferocity with darker melodies.
Deeply rooted in traditional Norwegian black metal, "Vedderbaug" revealed a LJÅ more venomous with time.

Re-issue, updated layout for the best, mastered specially for vinyl.
For fans of Taake, earlier Darkthrone, Isvind.
300x evergreen 2x12" side with a silkscreen print, in a black poly-lined innersleeve, jacket B/W printed on 350g carton, coated paper with UV partial lacquer, all assembled in a plastic overbag.
