Producent	Osmose Prod.

Opis produktu

"Vedderbaug" second album from Norwegian black metal band LJA, marks a significant evolution from their 2006 debut, "Til avsky for livet." While the first album delivered a raw, chaotic assault reminiscent of the second-wave black metal style, "Vedderbaug" offers relentless drumming, more ferocity with darker melodies. Deeply rooted in traditional Norwegian black metal, "Vedderbaug" revealed a LJA more venomous with time.

Re-issue, updated layout for the best, mastered specially for compact disc.
For fans of Taake, earlier Darkthrone, Isvind.
