Lord Belial’s “Unholy Trinity” is a savage and intense blast of Black Metal brilliance!
Lord Belial returns with their new studio album “Unholy Trinity”!

Formed in 1992, Lord Belial has been a driving force in the Scandinavian Black Metal scene for over three decades...

Crafting classics like “Enter the Moonlight Gate” and “Unholy Crusade” while balancing
melody, aggression, and atmosphere with effortless precision.
Following their acclaimed 2022 comeback album “Rapture”, the band now sharpens their blade even further.

Where “Rapture” reestablished Lord Belial’s dominance, “Unholy Trinity” pushes beyond: more extreme, more focused, yet steeped in the dark melodic sensibilities!
Recorded once again with legendary producer Andy LaRocque (King Diamond, Death) at Sonic Train Studios, “Unholy Trinity” is a savage and intenste blast of Black Metal brilliance!

Once again Lord Belial prove that the flame still burns as bright!
