HELLS HEADBANGERS is proud to reissue LORD GORE'S classic debut album, The Autophagous Orgy, on vinyl LP and picture disc formats. LORD GORE emerged from the heavily fertile Portland, Oregon death and grind scene of the early 2000s. Alongside putrid contemporaries such as FIGHTMARE, Fornicator, and Blood Freak, LORD GORE were among the pivotal acts who defined the glory years of Razorback Records. Most importantly, the band helped bring the genuine fun back to gory, grinding death metal with their repulsive classic, The Autophagous Orgy.

Originally released in 2002 as a towering monument to audio depravity, The Autophagous Orgy makes absolutely no concessions to modern progression. Instead, the record sticks firmly to the rotting guns of the immortal early albums by CARCASS and AUTOPSY. While many acts of that era abandoned raw filth for cleaner, heavily polished sounds, LORD GORE expanded their gruesome attack by integrating suffocating doom tempos and flesh ripping grooves. By plunging well below the standard death metal speed, the band injects a profound sense of suspense into the atmosphere. These slower, agonizing passages provide a massive weight that makes the frenetic blast beats hit with maximum impact, proving how a band can honor traditional splatter metal without ever slicking up their sound. Otherwise, the entirety of The Autophagous Orgy is an organically ripping experience devoid of sterile studio tricks.

The vocal performance remains a striking highlight of the album. A dual assault of low guttural bellows and gurgling textures dominates the mix, yet a surprising amount of the horrific lyrics remains wonderfully intelligible. This deliberate stylistic choice makes standout tracks like "Morgue Whore" deeply unsettling, delivering gruesome narratives with chilling clarity. Paired perfectly with meticulous B movie horror samples, The Autophagous Orgy feels exactly like unearthing a forbidden VHS tape. It stands as an essential, highly entertaining slab of pure American deathgrind.

To honor Razorback’s early to mid 2000s apex, HELLS HEADBANGERS is exhuming LORD GORE’s glorious corpse with reissues of their first two albums. The Autophagous Orgy will be available on vinyl for the first time ever in both regular LP and picture disc formats!
