### Opis produktu

“Another Time, Another Place (Chapter Two)” is the second out of two compilation albums featuring the very first LUSTRE EP “Serenity” from 2008 as well as the EP “A Spark of Times of Old” originally released in 2013.

The two MCD’s featured on this release were specifically chosen to portray the darker sound of LUSTRE’s past. With three tracks clocking in at around 40 minutes in total, “Another Time, Another Place (Chapter Two)” includes some of the most important early material from when the unique signature sound of LUSTRE came into form.
