Opis produktu

Originally released in 2015, "Blossom" showcased Nachtzeit's evolution into a realm of luminous beauty. Brimming with meditative and wondrous tracks, the album marked one of Lustre's most inspired works - shorter, vibrant compositions that moved beyond the project's ambient roots to explore hopeful melodies and a more organic sound. Now re-issued on limited multi-colour vinyl, remastered by Tore Stjerna of Necromorbus Studio, "Blossom" stands as a testament to a magnificent era of growth and transformation.
