The sublime 4th full length from UK avant-Black/Death Metal band **LYCHGATE** advances the kinetic potency of their 2020 DMP-debut EP, "**Also sprach Futura**", to a frightening level of mind-mangling intensity.

"**Precipice**" is progressive Extreme Metal plummeting inside a black hole: scorching, twisted and transfixing. The band have upped both the dystopic prog-Death quotient and their sense of experimentation, moving with formidable, mechanised poise and a surrealist's sense of dread.
